🎮 INTERESTS

Video games
I'm particularly interested in new takes on the gameplay and artistic aspects.

Tabletop RPG
I've been a DM for multiple campains I've written mostly myself.

Art
I do pixel art and started 3D modelling with blockbench.

World building
I love to discover fictional universes such as Runeterra or Hallownest and to create my own.

💼 PROFESSIONAL EXPERIENCE

Cashier at a camping, Les Rivages
2022 June – 2022 August | Millau, France

Full stack developper, Deep River
2023 June – 2023 August | Nancy, France

🏠 ASSOCIATIVE EXPERIENCE

Club Bar, Logistics
This club serves as a grocery store inside the school. I had to stock up on drinks and treats every week.

L'instant Thé, Co host / Game writter
A talk show broadcasted on twitch in which we would interview students on their clubs and play little games.

GamingTN, President
Every week, we invite people to come and play games together on the club's consoles. We sometimes organize events a little more competitive.
